

Gentlemen:

First, I wish to say "**THANK YOU !**" for your support and kindness, I am **VERY PROUD** to be your host. You are a part of something **VERY SPECIAL...**

When I started hosting these events 2 years ago, I hoped to throw the best private party for HIV+ guys the city of New York has ever seen, and to make it last "forever" (or as long as possible).

To create a world where fantasy was offered as reality, where HIV+ guys can meet, network, and play until dawn. Where models can mingle with mechanics; plumbers can play with plush CEO's. A place where there are **NO ATTITUDES** and **ALL LABELS are left behind**. A place where we can *learn from, and support each other*, while having **FUN** at the same time. That place has now become a reality...

I OFFER TO YOU: **STUDIO 70** A 3,500 sqft private party place where *your* fantasy (within reason) can become a reality. A **FUN, SAFE, COMFORTABLE** place for us, to be ourselves.

If you wish to "just chat and mingle" you can do it in the "BAR AREA". An area where you can be fully clothed and just socialize, maybe meet "Mr. Right".

If you are just into "kicking back and watching a video", you can do it in the "VIDEO LOUNGE". A private area just for watching videos and playing.

Have you every fantasized about "showing off" in front of the camera or being in a video? You can do it in the "STUDIO/GALLERY" . A private area with other guys (or alone) who will be photographed by a photographer or two. You will need to fill out a **MODEL RELEASE FORM** for this and some of the pics **MIGHT** be put on the **YAHOO!** Club site. When there are **NO** shoots planned, the space will be used as a "GALLERY" to show artists works, and special interest events. Please see Brandon if you wish to plan an event.

In the "BEDROOM AREA" you can find a queen sized bed or two (and some *hot, sexy* guys) for your *pleasures*; a private area for group or 1 on 1 action. **HOWEVER**; some guys are into **LEATHER & BONDAGE...**

There is a private area just for those who are into **LEATHER, BONDAGE, S/M, GANGBANGS, RAPE** , etc. . You can do it in the "DUNGEON". You need to bring your own: "toys" (cuffs, restraints, collars, leashes, gags, etc.) wear your leather outfits and *enjoy*. *Wait... THERE'S MORE...*

THE DANCE FLOOR! The dance floor is a 12'X12' oak platform just for you so you can *dance (or just wiggle around)* to the latest cd hits playing in the nightclubs. At times we will feature an artist or two, or a decade ie: '60's, 70's, 80's, or 90's hits.

So there you have it; "**STUDIO 70**" 6 different themes **ALL UNDER 1 ROOF**. Just for those of us who are HIV+ . OUR OWN PRIVATE PLACE to be us, just us. Gay/Bi/Str8 HIV+ guys meeting, networking, learning, playing, **SUPPORTING** each other without the attitudes or labels. *The way it should be.*

Tell your HIV+ friends.
